

The background of the entire page is a dark charcoal grey. Overlaid on this are several thin, white, continuous curved lines. These lines flow from the top and left edges towards the bottom right, creating a sense of movement and depth. They intersect and curve in various ways, some forming loops and others trailing off towards the edges.

Verti, modern tradition.

Craftsmanship, harmony, comfort: traditional Italian woodworking at its best combined with top European design. Values that materialise in cosy, durable chairs, and details that give each piece its own unique personality.

Fabrics and leather are carefully selected so as to guarantee long-lasting quality. The warmth of solid wood, the fine texture of the fabrics, the smell of leather and the beauty of the design: a feast for the senses.

Verti, tradizione di oggi.

La cultura del fare, il senso dell'armonia e del comfort, la tradizione italiana del legno e le ispirazioni del migliore design europeo. Valori importanti che prendono forme concrete, accoglienti, durevoli. Dettagli costruttivi che donano una personalità speciale ad ogni pezzo. Pelli e tessuti scelti con cura, per garantire una qualità che dura nel tempo ed aggiungere ulteriori sensazioni tattili e visive al calore del legno massello.
