DL2022 | LOOK

Libreria con fissaggio a parete, a soffitto o sospeso. Si tratta di un sistema di arredo modulare versatile, ideale per arredare l'ingresso, il soggiorno, lo studio o la cucina. E' costituito da spalle in alluminio realizzabili su misura fino a 34 cm di profondità e da mensole posizionabili liberamente sia nel numero, sia all'altezza desiderata. Infatti la particolare struttura delle spalle prive di fori consente l'aggancio delle mensole a qualsiasi altezza, con la possibilità di integrare, nella stessa composizione, mensole di differenti misure dando vita a soluzioni originali.

Spalle: in alluminio nero o verniciato. Optional illuminazione led. Piani: in melaminico, in legno laccato, in cristallo, in lamiera di alluminio. Contenitori: pensili in legno laccato con anta ribalta. Fissaggio a muro indipendente dalla libreria. Barra porta abiti per piani in melaminico.

Bookcase with wall, ceiling or suspended fixing. it is a versatile modular system, ideal for furnishing the entrance hall, living room, studio or kitchen. it is made up of aluminum structures that can be realized in custom height up to 34 cm of depth and by shelves that can be positioned freely both in number and at the desired height, in fact, the particular structure of the aluminum uprights without holes allows the brackets to be hooked at any height with the possibility of integrating, in the same composition, shelves of different sizes and materials, so giving life to original and customized solutions.

Structure: black or enamelled aluminium. optional led lighting. Top: melamine/ lacquered wood/glass/ enamelled aluminium. Optional clothes stand for wood tops. Hanging container: lacquered wood with pull out opening door. the fixing of the container elements is on the wall, independent from the bookcase.

S78 | MIRO

Tavolo con fissaggio a muro. Da chiuso, si presenta come un pannello murale poco profondo capace di fondersi in qualsiasi ambiente della casa. Da aperto, si trasforma in un vero e proprio tavolo ribaltabile da parete con piano personalizzabile in melaminico o in specchio o in cristallo colorato. E' sostenuto da gambe a cavalletto in metallo con piedini antigraffio. Grazie al meccanismo a ribalta verticale assistito da due pompe a gas, il piano scivola verso il basso e in avanti, fino a raggiungere la posizione orizzontale. La movimentazione è semplice e regolata da un sistema di blocco che evita la chiusura improvvisa e l'apertura accidentale. Di libera installazione su qualunque parete e adatto ad ogni ambiente.

Optionals:

– Gambe alluminio verniciate

Misure:

Cm.80x8x140h. / aperto cm.140x80x77h.
Cm.80x8x160h. / aperto cm.160x80x77h.

Fold down table wall unit, easy to fold up to save space and to pull down when needed as it can become either a dining table or a workspace. The top can be customized in melamine, mirror or lacquered crystal. It is supported by a metal leg that opens automatically while lowering the top. The assisted mechanism makes it easy to fold up and pull down the table in safety. This wall unit is suitable to every space.

Optionals:

– Painted aluminium legs

Cm.80x8x140h. / open cm.140x80x77h.
