Each model of the SMART collection can be customized with any armrest. To calculate the size is quick and easy. For the EASY and CHIC armrests, consult the armrests diagram shown in each data sheet and subtract the values from the dimensions of each model. For the other armrests refer directly to the sizes of each model.

Roller: the "Roller" option with internal mechanism allows the sofa to be lifted on wheels for movement inside domestic spaces.

Fixed sofas: structure in fir, multilayer wood or agglomerate wood. Sofa beds: structure in fir, multilayer wood, wood agglomerate, metal.
Backrest suspension with double-force crossed polypropylene elastic strap. Seat suspension with double force crossed polypropylene elastic straps.
Seat padding in non-deformable polyurethane rubber 25 kg/m³ SOFF covered with polyester resin wadding. Back padding in non-deformable polyurethane rubber 18 kg / m³ covered with polyester resin wadding. Quick-bed mechanism with electro-welded fast-moving bed base with elastic strap.
Mattress edged with core in non-deformable polyurethane rubber, upper side in quilted Aloe Soff hypoallergenic, non-slip lower side, removable and machine washable at 30 °.
Fully removable cover for seats, armrests and fixed structure. Backrests not removable.

Technical drawings of the Divi sofa system components, including various configurations and dimensions.

Top Row (Left to Right):
